Citronella Incense-Set

10 Incense coils + holder

Finally enjoy relaxed summer evenings outdoors again! The citronella incense coils from this set exude a pleasant, lemony smell. The coil holder protects against wind and ensures that air can reach the coils from all sides. This allows them to burn off well.

10 coils are included in the set. Popular uses include camping, barbecues on the terrace, balcony or in the garden. Also ideal for other outdoor places where you would like to have peace and quiet.
