Replacement Adhesive Cards, Set of 3

For the Gardigo Professional Flying Insect Trap (Art.-No.: 62406)

Have you used up all adhesive cards that came with your Professional Flying Insect Trap? Do not worry, you can replenish your supply and get 3 Replacement Adhesive Cards in this set.

Simply pull the card holder out of the Professional Flying Insect Trap's slot and remove the card. Then remove the protective paper from the new card and mount it in the holder. The card holder is inserted into the slot again and your sticky insect trap is ready for use and catching insects in a hygienic way is possible again.
