

Art.-No. 90801

Vario-Protection 3 in 1

The ideal pest repellent for your home

The electronic pest repeller with three frequencies. Clean, economical and reliable electronics of high quality contribute to a single device which can keep away a variety of troublesome pests. This is achieved by adjustable frequencies. Simply plug the Vario-Protection 3 in 1 into a socket and the device is ready for use – in the kitchen, the children's room, the dining room or in the bedroom. Other pest control plugs use poison or other harmful substances. The Vario-Protection 3 in 1 uses a sonic signal instead. The emitted ultra high frequencies are nearly imperceptible to the human ear.

Additional information

- **Dimensions:** 6.5 x 6.5 x 7 cm (W x H x D)
- **Packaging dimensions:** 8 x 15.7 x 7.5 cm (W x H x D)
- **Manuals included:** DE, GB, FR, ES, IT, NL
- **Product images, scenery images**
- **Packaging unit:** 10 units per package

Specifications

- **Covered area:** approx. 18 m²
- **Frequency:** approx. 7 kHz (mosquitoes, fleas)
approx. 10 kHz (mice, rats)
approx. 12 kHz (cockroaches, martens)
- **Power rating:** approx. 1W
- **Voltage:** 230 V/50 Hz
- **Operating display (LED)**
- **With on/off switch**
